

450P Prof Workboat & 3 pce F'Brds

Heavy duty inflatable with inflatable keel

An exceptionally strong Hypalon inflatable boat incorporating numerous features to give abnormally long life and brilliant seakeeping characteristics and comfort in any conditions. A boat with a real work ethic and an attitude to match. Unique rounded reverse bow with angle sheer and streamlining. Rugged, yet offering a high degree of comfort for the long hours the crew may be required to work. Uncompromising quality as expected for a boat at the top of its class.

Tube fabric

1680 denier nylon fabric coated with HYPALON both sides approx 350% stronger than most inflatables.

Hull or Board material

Unique reverse angle bow sheer with extra large inflatable keel 23 degree Vee. Floor boards being 3 piece fibreglass composite floorboard
