T230 Tender 2.3m Superlite

A compact versatile tender suitable for rowing or a small outboard. The raised floor gives a caamaran effect which improves rowing and towing. The gradual bow rise deflects spray down giving a soft dry ride. Large diameter tubes ensure excellent stability while lancer's unique rounded stern maximises internal room and stowability. Incorporates new lightweight floor.

Tube fabric

Long lasting Hypalon Fabric

Hull or Board material

Raised fabric floor with internal plywood floor (sprayed with epoxy paint).

Standard Equipment

Carry handles, rowlock, oars, chaffing strips under tubes and transom, towing point, bellows, repair kit, operating manual, sectioned floor board, rowing thwart, carry bag.

Optional equipment

Davit lifting system.
Extended Floorboards
